(the "Company") located at 100 River Ridge Drive, Suite 103, Norwood, MA 02062, or at such other time and place to which the Annual Meeting may be adjourned or postponed. ABOUT THE MEETING

Why are we calling this Annual Meeting?

We are calling the Annual Meeting to seek the approval of our stockholders:

- To elect five director nominees to serve as directors until the next annual meeting of stockholders;
- To consider and adopt an amendment to our certificate of incorporation, as amended, to eliminate the ability of stockholders to act by written consent;
- To consider and adopt an amendment to our certificate of incorporation, as amended, to eliminate the ability of stockholders to call special meetings;
- To consider and adopt an amended and restated certificate of incorporation, which shall incorporate the amendments to our certificate of incorporation, as amended, pursuant to Proposals 2 and 3, if both such amendments are approved;
- To ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm for the year ending December 31, 2016; and
- To consider any other matters that may properly come before the Annual Meeting.

What are the Board's recommendations?

Our Board believes that the election of the director nominees identified herein, the amendment and restatement of our certificate of incorporation, as amended, as described herein, and the appointment of EisnerAmper LLP as our independent registered public accounting firm for the year ending December 31, 2017 are advisable and in the best interests of the Company and its stockholders and recommends that you vote FOR these proposals.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

In accordance with rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to furnish to our stockholders this Proxy Statement and our Fiscal 2016 Annual Report by providing access to these documents on the Internet rather than mailing printed copies. Accordingly, a Notice of Internet Availability of Proxy Materials (the "Notice") is being mailed to our stockholders of record and beneficial owners which will direct stockholders to a website where they can access our proxy materials and view instructions on how to vote online or by telephone. If you would prefer to receive a paper copy of our proxy materials, please follow the instructions included in the Notice.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the record date, April 3, 2017, are entitled to receive notice of the Annual Meeting and to vote the shares of common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Holders of our common stock are entitled to one vote per share on each matter to be voted upon.

As of the record date, we had 50,143,742 outstanding shares of common stock.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the Annual Meeting. Please note that if you hold your shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of your proxy card delivered to you by your broker or a legal proxy given to you by your broker and check in at the registration desk at the meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of our common stock outstanding on the record date will constitute a quorum for our meeting. Signed proxies received but not voted and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

How do I vote?

You can vote on matters that come before the Annual Meeting via the Internet by following the instructions in the Notice or by submitting your proxy card by mail. If you would prefer to vote by mail, please follow the instructions included in the Notice to receive a paper copy of our proxy materials.

If you are a stockholder of record, to submit your proxy by mail or vote via the Internet, follow the instructions on the proxy card or Notice. If you hold your shares in street name, you may vote via the Internet as instructed by your broker, bank or other nominee.

Your shares will be voted as you indicate on your proxy card. If you vote your proxy but you do not indicate your voting preferences, and with respect to any other matter that properly comes before the meeting, the individuals named on the proxy card will vote your shares FOR the matters submitted at the meeting, or if no recommendation is given, in their own discretion.

If you attend the Annual Meeting and prefer to vote in person, you may do so even if you have already voted your shares by proxy.

What if I vote and then change my mind?

You may revoke your proxy at any time before it is exercised by:

- filing with the Secretary of the Company a notice of revocation;
- sending in another duly executed proxy bearing a later date; or
- attending the meeting and casting your vote in person.

For purposes of submitting your vote online, you may change your vote until 7:00 p.m. on May 24, 2017. At this this deadline, the last vote submitted will be the vote that is counted.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker as to how to vote and are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. If you do not vote your shares or otherwise provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in “*What vote is required to approve each proposal?*” below.

What vote is required to approve each proposal?

The holders of a majority of our common stock outstanding on the record date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. Pursuant to Delaware corporate law, abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present.

Assuming that a quorum is present, the following votes will be required:

- With respect to the first proposal (election of directors), directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Annual Meeting (up to the total number of directors to be elected) will be elected. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on this proposal.
- With respect to the proposal to adopt an amendment to our certificate of incorporation, as amended, to eliminate the ability of stockholders to act by written consent, the affirmative vote of a majority of all of the shares of the common stock outstanding and entitled to vote for such proposal is required to approve this proposal. As a result, abstentions, “broker non-votes” (see below), if any, and any other failure to submit a proxy or vote in person at the meeting will have the same effect as a vote AGAINST Proposal 2.
- With respect to the proposal to adopt an amendment to our certificate of incorporation, as amended, to eliminate the ability of stockholders to call special meetings, the affirmative vote of a majority of all of the shares of the common stock outstanding and entitled to vote for such proposal is required to approve this proposal. As a result, abstentions, “broker non-votes” (see below), if any, and any other failure to submit a proxy or vote in person at the meeting will have the same effect as a vote AGAINST Proposal 3.
- With respect to the proposal to adopt an amended and restated certificate of incorporation, which shall incorporate the amendments to our certificate of incorporation, as amended, pursuant to Proposals 2 and 3, if both such amendments are approved, the affirmative vote of a majority of all of the shares of the common stock outstanding and entitled to vote for such proposal is required to approve this proposal. As a result, abstentions, “broker non-votes” (see below), if any, and any other failure to submit a proxy or vote in person at the meeting will have the same effect as a vote AGAINST Proposal 4.

- With respect to the proposal to ratify the appointment of EisnerAmper LLP and approval of any other matter that may properly come before the Annual Meeting, the affirmative vote of a majority of the total votes cast on these proposals, in person or by proxy, is required to approve these proposals. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on these proposals.

Holders of the common stock will not have any dissenters’ rights of appraisal in connection with any of the matters to be voted on at the meeting.

What are “broker non-votes”?

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, your shares are held by your broker, bank or other agent as your nominee, or in “street name,” and you will need to obtain a proxy form from the organization that holds your shares and follow the instructions included on that form regarding how to instruct the organization to vote your shares. If you do not give instructions to your broker, bank or other agent, it can vote your shares with respect to “discretionary” items but not with respect to “non-discretionary” items. Discretionary items are proposals considered routine under the rules of various national securities exchanges, and, in the absence of your voting instructions, your broker, bank or other agent may vote your shares held in street name on such proposals. Non-discretionary items are proposals considered non-routine under the rules of various national securities exchanges, and, in the absence of your voting instructions, your broker, bank or other agent may not vote your shares held in street name on such proposals and the shares will be treated as broker non-votes. Proposals 1, 2, 3 and 4 are generally considered non-routine matters under the applicable rules. If you do not give your broker specific instructions, the broker may not vote your shares on Proposals 1, 2, 3 and 4 and therefore there may be broker non-votes on Proposal 1, 2, 3 and 4. Proposal 5 involves a matter we believe to be routine and thus if you do not give instructions to your broker, the broker may vote your shares in its discretion on Proposal 5 and therefore no broker non-votes are expected to exist in connection with Proposal 5.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board and will pay all expenses associated therewith. Some of our officers, directors and other employees also may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means.

In addition, we have engaged Alliance Advisors, LLC to assist us in soliciting proxies from banks, brokers and nominees. The fees that will be paid to Alliance Advisors, LLC are anticipated to be approximately \$7,000, and we will reimburse any out-of-pocket expenses.

We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of the capital stock and to obtain proxies.

PROPOSAL 1: TO ELECT FIVE DIRECTORS TO SERVE UNTIL THE NEXT ANNUAL MEETING AND UNTIL THEIR SUCCESSORS HAVE BEEN DULY ELECTED AND QUALIFIED

Our Board is currently composed of five directors. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that director for which the vacancy was created and until the director's successor is duly elected and qualified.

Each of the nominees listed below is currently one of our directors. If elected at the Annual Meeting, each of these nominees would serve until the next annual meeting and until his or her successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Abstentions and broker non-votes will not be treated as a vote for or against any particular director nominee and will not affect the outcome of the election. Stockholders may not vote, or submit a proxy, for a greater number of nominees than the five nominees named below. The director nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the five director nominees named below. If any director nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by our Board. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

Nominees for Election Until the Next Annual Meeting

The following table sets forth the name, age, position and tenure of each of our directors who are up for re-election at the 2017 Annual Meeting:

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE DIRECTOR NOMINEES.

CORPORATE GOVERNANCE

Board of Director Composition

Our Board currently consists of five members. Our directors hold office until their successors have been elected and qualified or until the earlier of their resignation or removal.

We have no formal policy regarding board diversity. Our priority in selection of board members is identification of members who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, knowledge of our business and understanding of the competitive landscape.

Board of Director Meetings

Our Board met seven times in 2016. Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of our Board (held during the period for which such directors served on the Board) and (ii) the total number of meetings of all committees of our Board on which the director served (during the periods for which the director served on such committee or committees). All five (5) of our directors attended our 2016 Annual Meeting of Stockholders. We do not have a formal policy requiring members of the Board to attend our annual meetings.

Director Independence

Our common stock is listed on The NASDAQ Stock Market. Under the rules of The NASDAQ Stock Market, independent directors must comprise a majority of our Board. In addition, the rules of The NASDAQ Stock Market require that all the members of such committees be independent. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Compensation committee members must also satisfy the independence criteria established by The NASDAQ Stock Market in accordance with Rule 10C-1 under the Exchange Act. Under the rules of The NASDAQ Stock Market, a director will only qualify as an “independent director” if, among other qualifications, in the opinion of that company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board undertook a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board has determined that Mr. Holmer, Dr. Gupta and Mr. Catlin do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the Rules of the NASDAQ Stock Market and the SEC.

In making this determination, our Board considered the relationships that each non-employee director has with our Company and all other facts and circumstances our Board deemed relevant in determining their independence. We intend to comply with the other independence requirements for committees within the time periods specified above.

Board Committees

Our Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board may establish other committees to facilitate the management of our business. The composition and functions of each committee are described below. Members serve on these committees until their resignation or until otherwise determined by our Board. Each of these committees operate under a charter that has been approved by our Board.

Audit Committee. Our Audit Committee consists of Mr. Holmer, Dr. Gupta and Mr. Catlin, and Mr. Catlin is the Chairman of the Audit Committee. Our Audit Committee met five times in 2016. Our Board has determined that the three directors currently serving on our Audit Committee are independent within the meaning of The NASDAQ Marketplace Rules and Rule 10A-3 under the Exchange Act. In addition, our Board has determined that Mr. Catlin qualifies as an audit committee financial expert within the meaning of SEC regulations and The NASDAQ Marketplace Rules.

The Audit Committee oversees and monitors our financial reporting process and internal control system, reviews and evaluates the audit performed by our registered independent public accountants and reports to our Board any substantive issues found during the audit. The Audit Committee will be directly responsible for the appointment, compensation and oversight of the work of our registered independent public accountants. The Audit Committee reviews and approves all transactions with affiliated parties. Our Board has adopted a written charter for the Audit Committee. A copy of the charter is posted under the “Investors” tab under “Governance” in our website, which is located at www.corbuspharma.com.

Compensation Committee. Our Compensation Committee consists of Mr. Holmer, Dr. Gupta and Mr. Catlin, and Mr. Holmer is the Chairman of the Compensation Committee. Our Compensation Committee met eight times in 2016. Our Board has determined that the three directors currently serving on our Compensation Committee are independent under the listing standards, are “non-employee directors” as defined in Rule 16b-3 promulgated under the Exchange Act and are “outside directors” as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee provides advice and makes recommendations to our Board in the areas of employee salaries, benefit programs and director compensation. The Compensation Committee also reviews and approves corporate goals and objectives relevant to the compensation of our President, Chief Executive Officer, and other officers and makes recommendations in that regard to our Board as a whole.

In 2016, the Compensation Committee directly engaged independent compensation consultants, Willis Towers Watson, and subsequently Radford, a part of Aon Hewitt, a business unit of Aon plc, to provide advice and recommendations on the structure, amount and form of executive and director compensation and the competitiveness thereof. At the request of the Compensation Committee, the compensation consultants provided, among other things, comparative data from selected peer companies. The compensation consultants report directly to the Compensation Committee. The Compensation Committee’s decision to hire either of the compensation consultants was not made or recommended by Company management. Stockholder nominations for directorships

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names and background to the Secretary of the Company at the address set forth below under “Stockholder Communications” in accordance with the provisions set forth in our bylaws. All such recommendations will be forwarded to the Nominating and Corporate Governance Committee, which will review and only consider such recommendations if appropriate biographical and other information is provided, including, but not limited to, the items listed below, on a timely basis. All security holder recommendations for director candidates must be received by the Company in the timeframe(s) set forth under the heading “Stockholder Proposals” below.

- the name and address of record of the security holder;
- a representation that the security holder is a record holder of the Company's securities, or if the security holder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934;

Assuming that appropriate information is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board or other persons, as described above and as set forth in its written charter.

Board Leadership Structure and Role in Risk Oversight

The positions of our chairman of the Board and chief executive officer are separated. Separating these positions allows our chief executive officer to focus on our day-to-day business, while allowing the chairman of the Board to lead our Board in its fundamental role of providing advice to and independent oversight of management. Our Board recognizes the time, effort and energy that the chief executive officer must devote to his position in the current business environment, as well as the commitment required to serve as our chairman, particularly as our Board's oversight responsibilities continue to grow. Our Board also believes that this structure ensures a greater role for the independent directors in the oversight of our Company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our Board. This leadership structure also is preferred by a significant number of our stockholders. Our Board believes its administration of its risk oversight function has not affected its leadership structure.

Although our bylaws do not require our chairman and chief executive officer positions to be separate, our Board believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including those described under the section entitled "Risk Factors" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 and other reports filed with the SEC. Our Board is actively involved in oversight of risks that could affect us. This oversight is conducted primarily by our full Board, which has responsibility for general oversight of risks.

Our Board will satisfy this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our Company. Our Board believes that full and open communication between management and our Board is essential for effective risk management and oversight.

Stockholder Communications

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, and subject to advice from legal counsel, the Secretary of the Company is primarily responsible for monitoring communications from stockholders and for providing copies or summaries of such communications to the Board as he considers appropriate.

Communications from stockholders will be forwarded to all directors if they relate to important substantive matters or if they include suggestions or comments that the Secretary considers to be important for the Board to know. Communication relating to corporate governance and corporate strategy are more likely to be forwarded to the Board than communications regarding personal grievances, ordinary business matters, and matters as to which the Company tends to receive repetitive or duplicative communications.

Stockholders who wish to send communications to the Board should address such communications to: The Board of Directors, Corbus Pharmaceuticals Holdings, Inc., 100 River Ridge Drive, Suite 103, Norwood, MA 02062, Attention: Secretary.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our employees, officers and directors. A copy of the code is posted under the “Investors” tab under “Governance” in our website, which is located at www.corbuspharma.com. We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions applicable to any principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and our directors, on our website identified above or in a Current Report on Form 8-K.

Limitation of Directors Liability and Indemnification

The Delaware General Corporation Law (the “DGCL”) authorizes corporations to limit or eliminate, subject to certain conditions, the personal liability of directors to corporations and their stockholders for monetary damages for breach of their fiduciary duties. Our certificate of incorporation limits the liability of our directors to the fullest extent permitted by Delaware law. In addition, we have entered into indemnification agreements with certain of our directors and officers whereby we have agreed to indemnify those directors and officers to the fullest extent permitted by law, including indemnification against expenses and liabilities incurred in legal proceedings to which the director or officer was, or is threatened to be made, a party by reason of the fact that such director or officer is or was a director, officer, employee or agent of the Company, provided that such director or officer acted in good faith and in a manner that the director or officer reasonably believed to be in, or not opposed to, the best interests of the Company.

We have director and officer liability insurance to cover liabilities our directors and officers may incur in connection with their services to us, including matters arising under the Securities Act. Our certificate of incorporation and bylaws also provide that we will indemnify our directors and officers who, by reason of the fact that he or she is one of our officers or directors, is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative related to their board role with us.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which indemnification will be required or permitted. We are not aware of any threatened litigation or proceeding that may result in a claim for such indemnification.

On April 11, 2014, we entered into an employment agreement with Dr. Yuval Cohen, which is effective for a period of two years. Dr. Cohen's employment agreement provides for him to serve as Chief Executive Officer and provides for an annual base salary of \$240,000 and a signing bonus of \$45,000. In addition, Dr. Cohen is eligible to receive an annual bonus, which is targeted at up to 33% of his base salary but which may be adjusted by our Board based on his individual performance and our performance as a whole. On April 11, 2014, Dr. Cohen received a grant of options covering 312,728 shares of common stock at an exercise price of \$1.00 per share. Pursuant to the terms of the employment agreement, Dr. Cohen is eligible to receive, from time to time, equity awards under our existing equity incentive plan, or any other equity incentive plan we may adopt in the future, and the terms and conditions of such awards, if any, will be determined by our Board or Compensation Committee, in their discretion. Dr. Cohen is subject to non-compete and non-solicitation provisions, which apply during the term of his employment and for a period of twelve months following termination of his employment. In addition, the employment agreement contains customary confidentiality and assignment of inventions provisions. If we terminate Dr. Cohen's employment without cause or he terminates his employment for good reason during the term of his employment agreement, we are required to pay him as severance twelve months of his base salary plus reimbursement of the cost of COBRA coverage (or the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for twelve months, and he may be paid a pro-rated bonus, each subject to his timely execution of a general release and continuing compliance with covenants. Dr. Cohen's severance payments and other applicable payments and benefits will be subject to reduction to the extent doing so would put him in a better after-tax position after taking into account any excise tax he may incur under Internal Revenue Code Section 4999 in connection with any change in control of us or his subsequent termination of employment.

On April 11, 2016, we entered into an amendment to the employment agreement with Dr. Cohen to provide an increase in Dr. Cohen's 2016 annual base salary and his bonus targets for fiscal year 2016 and to extend the term of his employment agreement for an additional two year period. Pursuant to the terms of the employment agreement, Mr. Moran is eligible to receive, from time to time, equity awards under our existing equity incentive plan, or any other equity incentive plan we may adopt in the future, and the terms and conditions of such awards, if any, will be determined by our Board or Compensation Committee, in their discretion. Mr. Moran is subject to non-compete and non-solicitation provisions, which apply during the term of his employment and for a period of twelve months following termination of his employment. In addition, the employment agreement contains customary confidentiality and assignment of inventions provisions. Mr. Moran's applicable payments and benefits payable under the terms of his amended and restated employment agreement, as of June 26, 2014, will be subject to reduction to the extent doing so would put him in a better after-tax position after taking into account any excise tax he may incur under Internal Revenue Code Section 4999 in connection with any change in control of us or his subsequent termination of employment.

* The foregoing report of the Audit Committee is not to be deemed "soliciting material" or deemed to be "filed" with the Securities and Exchange Commission (irrespective of any general incorporation language in any document filed with the Securities and Exchange Commission) or subject to Regulation 14A of the Securities Exchange Act of 1934, as amended, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent we specifically incorporate it by reference into a document filed with the Securities and Exchange Commission.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information as of March 31, 2017 with respect to the beneficial ownership of common stock of the Company by the following: (i) each of the Company's current directors; (ii) each of the named executive officers; (iii) the current executive officers; (iv) all of the current executive officers and directors as a group; and (v) each person known by the Company to own beneficially more than five percent (5%) of the outstanding shares of the Company's common stock.

For purposes of the following table, beneficial ownership is determined in accordance with the applicable SEC rules and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, we believe that each person or entity named in the table has sole voting and investment power with respect to all shares of the Company's common stock shown as beneficially owned by that person or entity (or shares such power with his or her spouse). Under the SEC's rules, shares of the Company's common stock issuable under options that are exercisable on or within 60 days after March 31, 2017 ("Presently Exercisable Options") are deemed outstanding and therefore included in the number of shares reported as beneficially owned by a person or entity named in the table and are used to compute the percentage of the common stock beneficially owned by that person or entity. These shares are not, however, deemed outstanding for computing the percentage of the common stock beneficially owned by any other person or entity.

The percentage of the common stock beneficially owned by each person or entity named in the following table is based on 50,143,742 shares of common stock issued and outstanding as of March 31, 2017 plus any shares issuable upon exercise of Presently Exercisable Options held by such person or entity.

Except as otherwise noted below, the address for persons listed in the table is c/o Corbus Pharmaceuticals Holdings, Inc., 100 River Ridge Drive, Norwood, Massachusetts 02062. Beneficial ownership representing less than 1% is denoted with an asterisk (*).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive, officers, and persons who are beneficial owners of more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us, and written representations that no other reports were required during the fiscal year ended December 31, 2016, all reports required to be filed under Section 16(a) were filed on a timely basis; except one report covering one transaction was filed late by Barbara White.

Transactions with Related Persons

Other than compensation arrangements for our named executive officers and directors, we describe below each transaction or series of similar transactions, since January 1, 2016, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000 or one percent of the average of our total assets at year end for the last two completed fiscal years; and
- any of our directors, executive officers or holders of more than 5% of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

Compensation arrangements for our named executive officers and directors are described in the section entitled "Executive Compensation."

Consulting Agreement with Orchestra Medical Ventures

On September 21, 2016, we entered into a consulting agreement with Orchestra Medical Ventures, LLC, or Orchestra, of which David Hochman, our Director, is Managing Partner. The consulting agreement provided that Orchestra would render a variety of consulting and advisory services relating principally to identifying and evaluating strategic relationships, licensing opportunities, and business strategies. Pursuant to the terms of the agreement, we paid to Orchestra cash compensation in an aggregate amount of \$100,000, of which \$50,000 was paid during fiscal 2016 and the remaining \$50,000 was paid in the first quarter of 2017. In addition, as approved by our Compensation Committee, effective as of September 16, 2016, we granted an equity incentive award to Mr. Hochman consisting of options to purchase 50,000 shares (the “Option Shares”) of our common stock (the “Option Award”) pursuant to the 2014 Plan, of which fifty percent (50%) vested on the three (3) month anniversary of the date of grant of the Option Award and the remainder of the Option Shares vested on the six (6) month anniversary of the date of grant of the Option Award. The consulting agreement expired on March 20, 2017.

Indemnification Agreements

In September 2014, we entered into indemnification agreements with our directors and executive officers whereby we have agreed to indemnify those directors and officers to the fullest extent permitted by law, including indemnification against expenses and liabilities incurred in legal proceedings to which the director or officer was, or is threatened to be made, a party by reason of the fact that such director or officer is or was a director, officer, employee or agent of our Company, provided that such director or officer acted in good faith and in a manner that the director or officer reasonably believed to be in, or not opposed to, the best interests of our Company.

Policies and Procedures for Related Party Transactions

Our Board has adopted a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock, any members of the immediate family of any of the foregoing persons and any firms, corporations or other entities in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest, which we refer to collectively as related parties, are not permitted to enter into a transaction with us without the prior consent of our Board acting through the audit committee or, in certain circumstances, the chairman of the audit committee. Any request for us to enter into a transaction with a related party, in which the amount involved exceeds \$100,000 and such related party would have a direct or indirect interest must first be presented to our audit committee, or in certain circumstances the chairman of our audit committee, for review, consideration and approval. In approving or rejecting any such proposal, our audit committee, or the chairman of our audit committee, is to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the benefits to us, the availability of other sources of comparable products or services and the extent of the related party’s interest in the transaction.

PROPOSAL 2: ADOPTION OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED, TO ELIMINATE THE ABILITY OF STOCKHOLDERS TO ACT BY WRITTEN CONSENT

Our Board believes that it is in the best interests of the Company and our stockholders to amend our current certificate of incorporation, as amended, to eliminate the ability of stockholders to act by written consent. Upon consultation with our management, and our outside legal and financial advisors, our Board unanimously approved, and unanimously recommends for stockholder approval, the proposal to adopt a Certificate of Amendment to our certificate of incorporation, as amended, (the “Certificate of Amendment – Written Consent”) to eliminate the ability of stockholders to act by written consent, the text of which is attached to this Proxy Statement as **Appendix A**. Additionally, on approval of this Proposal 2, conforming changes will be made to our bylaws.

If our stockholders approve this Proposal 2 in addition to approving the adoption of an amendment to our certificate of incorporation, as amended, to eliminate the ability of stockholders to call special meetings (Proposal 3), then, subject to the approval of the adoption of an amended and restated certificate of incorporation incorporating the amendments pursuant to Proposals 2 and 3 (Proposal 4), we will file with the Secretary of State of the State of Delaware (the “Delaware Secretary of State”) one document that will incorporate such amendments into a single charter document (such document, the “Amended and Restated Certificate of Incorporation”), in lieu of filing each of the Certificate of Amendment – Written Consent and the Certificate of Amendment – Special Meetings (as defined below). The text of the proposed Amended and Restated Certificate of Incorporation is attached to this Proxy Statement as **Appendix C**. If (i) our stockholders do not approve Proposal 3, but do approve this Proposal 2 or (ii) our stockholders approve Proposals 2 and 3, but not Proposal 4, then the Certificate of Amendment – Written Consent will be filed as an amendment to our current certificate of incorporation with the Delaware Secretary of State.

Section 1 of Article VI of our existing certificate of incorporation, as amended, provides that any action required by law to be taken at any annual or special meeting of our stockholders, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Such section also specifies delivery, timing and notice requirements for such consent. Moreover, our bylaws currently provide for stockholder action by written consent.

The description of the Certificate of Amendment – Written Consent should be read in conjunction with and is qualified in its entirety by reference to the text of the proposed Certificate of Amendment – Written Consent attached to this Proxy Statement as **Appendix A**.

Reasons for Adopting this Amendment

Our Board is committed to ensuring effective corporate governance policies and practices, which ensure that we are governed with high standards of ethics, integrity and accountability and in the best interest of our stockholders. Our Board, in its continuing review of corporate governance matters, has determined that eliminating our stockholders’ ability to act by written consent will best serve the purposes of the Company and the interests of our stockholders.

In accordance with our commitment to further stockholder enfranchisement, we are seeking to eliminate the ability of stockholders to act by written consent. Accordingly, all stockholders would be entitled to receive notice of any action requiring a vote of stockholders and be afforded the opportunity to have their views taken into account and vote on that action at a duly convened meeting. Our Board believes that the amendment is desirable because it preserves the opportunity for a greater number of stockholders to be heard before any stockholder action is taken. In addition, the amendment would make it difficult for a person who acquires a majority of the outstanding common stock of the Company to approve a merger or sale of the Company or take other action normally requiring a vote of stockholders without providing notice to all stockholders. Finally, our Board believes that the elimination of stockholder action by written consent would promote open negotiations concerning any proposed acquisition of the Company.

In light of the foregoing, our Board believes that amending the provisions of our certificate of incorporation to eliminate stockholder action by written consent is a prudent corporate governance measure to prevent a small number of stockholders from prematurely causing stockholder consideration of a proposal over the opposition of our Board by unilaterally soliciting the consent of stockholders for such a proposal before all of our stockholders have the full benefit of the knowledge, advice and participation of our management and Board.

Elimination of stockholder power to act by written consent may deter certain acquisitions of our stock and may delay, deter or impede stockholder action not approved by our Board. Such actions may include stockholder attempts to obtain control of our Board, unsolicited tender offers or other efforts to acquire control of the Company.

Our certificate of incorporation, as amended, and bylaws currently include certain other provisions that may have an anti-takeover effect, including our Board's right to issue preferred stock without obtaining additional approval of our stockholders. In addition, Proposal 3 (to eliminate the ability of stockholders to call special meetings) may be deemed to have an anti-takeover effect. Other than Proposal 3, our Board does not currently contemplate recommending the adoption of any other amendments to our certificate of incorporation, as amended, that could be construed to reduce or interfere with the ability of third parties to take over or change the control of our Company. Our Board is not aware of any attempt, or contemplated attempt, to acquire control of the Company.

In deciding to recommend the elimination of our stockholders' power to act by written consent, our Board considered the arguments against elimination of this power, in particular that elimination of the stockholders' ability to act by written consent may hinder stockholders' ability to affect company matters and may have the anti-takeover effect discussed above. After giving careful consideration, our Board determined that the benefits of discouraging hostile bidders and dissident stockholders seeking to further their own special interests from conducting potentially expensive and disruptive consent solicitations outweigh these disadvantages.

Approval Required

The approval of the amendment to eliminate the ability of stockholders to act by written consent requires the affirmative vote of a majority of the shares of the common stock outstanding and entitled to vote for such proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO ADOPT AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED, TO ELIMINATE THE ABILITY OF STOCKHOLDERS TO ACT BY WRITTEN CONSENT.

PROPOSAL 3: ADOPTION OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED, TO ELIMINATE THE ABILITY OF STOCKHOLDERS TO CALL SPECIAL MEETINGS

Our Board believes that it is in the best interests of the Company and our stockholders to amend our current certificate of incorporation, as amended, to eliminate the ability of stockholders to call special meetings. Upon consultation with our management, our outside legal and financial advisors, our Board unanimously approved, and unanimously recommends for stockholder approval, the proposal to adopt a Certificate of Amendment to our certificate of incorporation, as amended, (the “Certificate of Amendment – Special Meetings”) to eliminate the ability of stockholders to call special meetings, the text of which is attached to this Proxy Statement as **Appendix B**. Additionally, on approval of this Proposal 3, conforming changes will be made to our bylaws.

If our stockholders approve this Proposal 3 in addition to approving the adoption of an amendment to our certificate of incorporation, as amended, to eliminate the ability of stockholders to act by written consent (Proposal 2), then, subject to the approval of the adoption of an amended and restated certificate of incorporation incorporating the amendments pursuant to Proposals 2 and 3 (Proposal 4), we will file with the Delaware Secretary of State the Amended and Restated Certificate of Incorporation, it being one document that will incorporate such amendments into a single charter document, in lieu of filing each of the Certificate of Amendment – Written Consent and the Certificate of Amendment – Special Meetings. The text of the proposed Amended and Restated Certificate of Incorporation is attached to this Proxy Statement as **Appendix C**. If (i) our stockholders do not approve Proposal 2, but do approve this Proposal 3 or (ii) our stockholders approve Proposals 2 and 3, but not Proposal 4, then the Certificate of Amendment – Special Meetings will be filed as an amendment to our current certificate of incorporation with the Delaware Secretary of State.

Section 2 of Article VI of our existing certificate of incorporation, as amended, provides that a special meeting of stockholders shall be called by our secretary upon the written request, stating the purpose of the meeting, of stockholders who together own of record at least twenty percent (20%) in voting power of the outstanding shares of stock entitled to vote at such meeting. Moreover, our bylaws currently provide for stockholder ability to call special meetings.

The description of the Certificate of Amendment – Special Meetings should be read in conjunction with and is qualified in its entirety by reference to the text of the proposed Certificate of Amendment – Special Meetings attached to this Proxy Statement as **Appendix B**.

Reasons for Adopting this Amendment

Our Board is committed to ensuring effective corporate governance policies and practices, which ensure that we are governed with high standards of ethics, integrity and accountability and in the best interest of our stockholders. Our Board, in its continuing review of corporate governance matters, has determined that eliminating our stockholders’ power to call special meetings of the stockholders will best serve the purposes of the Company and the interests of our stockholders.

In accordance with our commitment to further stockholder enfranchisement, we are seeking to eliminate the ability of stockholders to call a special meeting. Special meetings are extraordinary events for public companies, can be disruptive, costly and inconsistent with the best interests of all stockholders. Special meetings can cause us to incur substantial expenses in connection with preparing and providing stockholders with proxy materials and can cause significant disruptions to the Company’s normal business operations by requiring significant attention from our management team, diverting their focus from overseeing and operating our business in the best interest of all stockholders. For every special meeting called, we must provide each stockholder with a notice of meeting and proxy materials at significant legal, printing and mailing expenses, as well as incur the other costs normally associated with holding a stockholder meeting. Given that special meetings of stockholders would result in such expenses and disruptions to our business operations, and therefore may not be in the best interests of our stockholders as a whole, our Board believes it is in our stockholders’ best interests if special meetings are only called in the discretion of the Board to consider extraordinary events, when fiduciary, strategic or similar considerations dictate that the matter be addressed on an expedited basis.

Elimination of our stockholders' power to call a special meeting provides anti-takeover protection for us. A common tactic of bidders attempting a takeover is to initiate a proxy contest by calling a special meeting. By eliminating our stockholders' right to call a special meeting, expensive proxy contests cannot occur other than in connection with our normally scheduled annual meeting. Our board of directors can still call a special meeting of our stockholders when issues arise that require a stockholder meeting.

Elimination of our stockholders' power to call a special meeting may deter certain acquisitions of our stock and may delay, deter or impede stockholder action not approved by our Board. Such actions may include stockholder attempts to obtain control of our Board, unsolicited tender offers or other efforts to acquire control of the Company.

Our certificate of incorporation, as amended, and bylaws currently include certain other provisions that may have an anti-takeover effect, including our Board's right to issue preferred stock without obtaining additional approval of our stockholders. In addition, Proposal 2 (to eliminate the ability of stockholders to act by written consent) may be deemed to have an anti-takeover effect. Other than Proposal 2, our Board does not currently contemplate recommending the adoption of any other amendments to our certificate of incorporation, as amended, that could be construed to reduce or interfere with the ability of third parties to take over or change the control of our Company. The Board is not aware of any attempt, or contemplated attempt, to acquire control of the Company.

In deciding to recommend the elimination of our stockholders' power to call a special meeting, our Board considered the arguments against elimination of this power, in particular that elimination of our stockholders' power to call a special meeting may hinder stockholders' ability to affect company matters and may have the anti-takeover effect discussed above. After giving careful consideration, our Board determined that the benefits of eliminating stockholders' power to call special meetings outweighed any detriment of such provisions.

Approval Required

The approval of the amendment to eliminate the ability of stockholders to call special meetings requires the affirmative vote of a majority of the shares of the common stock outstanding and entitled to vote for such proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO ADOPT AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED, TO ELIMINATE THE ABILITY OF STOCKHOLDERS TO CALL SPECIAL MEETINGS.

PROPOSAL 4: ADOPTION OF AN AMENDED AND RESTATED CERTIFICATE OF INCORPORATION, WHICH SHALL INCORPORATE THE AMENDMENTS TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED, PURSUANT TO PROPOSALS 2 AND 3, IF BOTH SUCH AMENDMENTS ARE APPROVED

Our Board believes that it is in the best interests of the Company and our stockholders to amend our current certificate of incorporation, as amended, to (i) eliminate the ability of stockholders to act by written consent and (ii) eliminate the ability of stockholders to call special meetings, as described in Proposal 2 and Proposal 3. Upon consultation with our management, and our outside legal and financial advisors, our Board unanimously approved, and unanimously recommends for stockholder approval, subject to the approval of both Proposals 2 and 3, the proposal to adopt the Amended and Restated Certificate of Incorporation, which if approved, will allow us to incorporate such amendments into a single charter document. The text of the proposed Amended and Restated Certificate of Incorporation is attached to this Proxy Statement as **Appendix C**.

If our stockholders approve this Proposal 4, in addition to Proposals 2 and 3, then we will file the Amended and Restated Certificate of Incorporation with the Delaware Secretary of State, in lieu of filing each of the Certificate of Amendment – Written Consent and the Certificate of Amendment – Special Meetings. If (i) our stockholders approve Proposal 2, but do not approve Proposal 3, (ii) our stockholders approve Proposal 3, but do not approve Proposal 2 or (iii) our stockholders approve Proposals 2 and/or 3, or both, but not this Proposal 4, then the Certificate of Amendment – Written Consent or the Certificate of Amendment – Special Meetings or both, as applicable, will be filed as an amendment or amendments to the Company’s current certificate of incorporation with the Delaware Secretary of State.

The description of the amendments and the summary of the Amended and Restated Certificate of Incorporation should be read in conjunction with and is qualified in its entirety by reference to the text of the proposed Amended and Restated Certificate of Incorporation attached to this Proxy Statement as **Appendix C**.

The Amended and Restated Certificate of Incorporation will not incorporate any other material changes.

Reasons for Adopting the Amended and Restated Certificate of Incorporation

The principal reason for adopting the Amended and Rested Certificate of Incorporation is to incorporate the amendments as described in Proposal 2 and Proposal 3 into one document and to make other incidental non-material changes. The Amended and Restated Certificate of Incorporation will not incorporate any substantive changes that are not independently approved by our stockholders. Instead, the Amended and Restated Certificate of Incorporation will incorporate our current certificate of incorporation, as amended, and any amendments approved at the Annual Meeting into one document.

For further information regarding the descriptions of, the reasons for and general effect of the amendments, please see the discussions above under “Proposal 2” and “Proposal 3,” as applicable.

Approval Required

The approval of the Amended and Restated Certificate of Incorporation, which shall incorporate the amendments to our certificate of incorporation, as amended, pursuant to Proposals 2 and 3, if both such amendments are approved, requires the affirmative vote of a majority of the shares of the common stock outstanding and entitled to vote for such proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE PROPOSAL TO ADOPT AN AMENDED AND RESTATED CERTIFICATE OF INCORPORATION, WHICH SHALL INCORPORATE THE AMENDMENTS TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED, PURSUANT TO PROPOSALS 2 AND 3, IF BOTH SUCH AMENDMENTS ARE APPROVED.

PROPOSAL 5: RATIFY THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2017

The Audit Committee has reappointed EisnerAmper LLP as our independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2017, and has further directed that management submit their selection of independent registered public accounting firm for ratification by our stockholders at the Annual Meeting. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as public registered accounting firm.

Principal Accountant Fees and Services

The following table summarizes the fees for professional services rendered by EisnerAmper LLP, our independent registered public accounting firm, for each of the last two fiscal years:

<u>Fee Category</u>	<u>2016</u>	<u>2015</u>
	(In thousands)	
Audit Fees	\$ 160	\$ 116
Audit-Related Fees	-	-
Tax Fees	-	-
All Other Fees	-	-
Total Fees	<u>\$ 160</u>	<u>\$ 116</u>

Audit Fees

Represents fees, including out of pocket expenses, for professional services provided in connection with the audit of our annual audited financial statements and of our internal control over financial reporting, the review of our quarterly financial statements included in our Forms 10-Q, accounting consultations or advice on accounting matters necessary for the rendering of an opinion on our financial statements, services provided in connection with the offerings of our common stock and audit services provided in connection with other statutory or regulatory filings.

Audit-Related Fees

Audit-related fees are for assurance and other activities not explicitly related to the audit of our financial statements.

The Audit Committee is responsible for appointing, setting compensation and overseeing the work of the independent auditors. The Audit Committee has established a policy regarding pre-approval of all auditing services and the terms thereof and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to us by the independent auditor. However, the pre-approval requirement may be waived with respect to the provision of non-audit services for us if the “de minimus” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied.

The Audit Committee has considered whether the provision of Audit-Related Fees, Tax Fees, and all other fees as described above is compatible with maintaining EisnerAmper LLP’s independence and has determined that such services for fiscal year 2016 were compatible. All such services were approved by the Audit Committee pursuant to Rule 2-01 of Regulation S-X under the Exchange Act to the extent that rule was applicable.

The Audit Committee is responsible for reviewing and discussing the audit financial statements with management, discussing with the independent registered public accountants the matters required in Auditing Standards No. 16, receiving written disclosures from the independent registered public accountants required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accountants’ communications with the Audit Committee concerning independence and discussing with the independent registered public accountants their independence, and recommending to the Board of Directors that the audit financial statements be included in our annual report on Form 10-K.

Attendance at Annual Meeting

Representatives of EisnerAmper LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

OTHER MATTERS

As of the date of this proxy statement, the Board does not intend to present at the Annual Meeting of Stockholders any matters other than those described herein and does not presently know of any matters that will be presented by other parties. If any other matter requiring a vote of the stockholders should come before the meeting, it is the intention of the persons named in the proxy to vote with respect to any such matter in accordance with the recommendation of the Board or, in the absence of such a recommendation, in accordance with the best judgment of the proxy holder.

AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

OF

CORBUS PHARMACEUTICALS HOLDINGS, INC.

Corbus Pharmaceuticals Holdings, Inc., a corporation organized and existing under and by virtue of the provisions of the General Corporation Law of the State of Delaware (the "DGCL"),

DOES HEREBY CERTIFY:

FIRST: That the name of this corporation is Corbus Pharmaceuticals Holdings, Inc. and that this corporation was originally incorporated pursuant to the DGCL on December 18, 2013, under the name SAV Acquisition Corporation.

SECOND: That the Board of Directors duly adopted resolutions proposing to amend and restate the Certificate of Incorporation of this corporation, as amended, declaring said amendment and restatement to be advisable and in the best interests of this corporation and its stockholders, and authorizing the appropriate officers of this corporation to solicit the consent of the stockholders therefore, which resolution setting forth the proposed amendment and restatement is as follows:

RESOLVED, that the Certificate of Incorporation of this corporation, as amended, be amended and restated in its entirety as follows:

ARTICLE I

The name of the Corporation is Corbus Pharmaceuticals Holdings, Inc.

ARTICLE II

The address of the Corporation's registered office in the State of Delaware is 850 New Burton Road, Suite 201, Dover, DE 19904, Kent County; and the name of the registered agent of the Corporation in the State of Delaware at such address is National Corporate Research, Ltd. The Corporation shall have the authority to designate other registered offices and registered agents both in the State of Delaware and in other jurisdictions.

ARTICLE III

The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the DGCL.

ARTICLE IV

A. CAPITAL STOCK

The total number of shares of capital stock which the Corporation shall have authority to issue is One Hundred Sixty Million (160,000,000), of which (i) One Hundred Fifty Million (150,000,000) shares shall be a class designated as common stock, par value \$0.0001 per share (the "Common Stock"), and (ii) Ten Million Shares (10,000,000) shares shall be a class designated as preferred stock, par value \$0.0001 per share (the "Preferred Stock").

The number of authorized shares of Common Stock or Preferred Stock may from time to time be increased or decreased (but not below the number of shares then outstanding) by the affirmative vote of the holders of a majority in voting power of the outstanding shares of stock of the Corporation entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL (or any successor provision thereto), and no vote of the holders of any of the Common Stock or the Preferred Stock voting separately as a class shall be required therefor, unless a vote of any such holder is required pursuant to this Certificate (including pursuant to any certificate of designation of any series of Preferred Stock).

The powers, preferences and rights of, and the qualifications, limitations and restrictions upon, each class or series of stock shall be determined in accordance with, or as set forth below in, this Article IV.

B. COMMON STOCK

1 . Voting. Each holder of record of Common Stock, as such, shall have one vote for each share of Common Stock which is outstanding in his, her or its name on the books of the Corporation on all matters on which stockholders are entitled to vote generally. Except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to this Certificate (including any certificate of designation relating to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Certificate (including any certificate of designation relating to any series of Preferred Stock) or pursuant to the DGCL.

2 . Dividends. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock or any class or series of stock having a preference over or the right to participate with the Common Stock with respect to the payment of dividends, dividends may be declared and paid or set apart for payment upon the Common Stock out of any assets or funds of the Corporation legally available for the payment of dividends, but only when and as declared by the Board of Directors or any authorized committee thereof.

3 . Liquidation. Upon the dissolution, liquidation or winding up of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation and subject to the rights, if any, of the holders of any outstanding series of Preferred Stock or any class or series of stock having a preference over or the right to participate with the Common Stock with respect to the distribution of assets of the Corporation upon such dissolution, liquidation or winding up of the Corporation, the holders of Common Stock shall be entitled to receive the remaining assets of the Corporation available for distribution to its stockholders ratably in proportion to the number of shares held by them.

C. PREFERRED STOCK

The Board of Directors is hereby expressly authorized, by resolution or resolutions, to provide, out of the authorized, unissued shares of Preferred Stock, for one or more series of Preferred Stock and, with respect to each such series, to fix the number of shares constituting such series and the designation of such series, and the powers (including voting powers, if any), preferences and relative, participating, optional and other special rights, if any, and *any* qualifications, limitations or restrictions thereof, of the shares of such series of Preferred Stock. The powers, preferences and relative, participating, optional and other special rights of, and the qualifications, limitations or restrictions thereof, of each series of Preferred Stock, if any, may differ from those of any and all other series at any time outstanding. Except as otherwise required by law, holders of any series of Preferred Stock shall be entitled to only such voting rights, if any, as shall expressly be granted thereto by this Certificate (including any certificate of designation relating to such series of Preferred Stock).

ARTICLE V

STOCKHOLDER ACTION

1 . Written Consent of Stockholders in Lieu of Meeting. Subject to the rights, if any, of the holders of any series of Preferred Stock, no action that is required or permitted to be taken by the stockholders of the Corporation at any annual or special meeting of stockholders may be effected by written consent of stockholders in lieu of a meeting of stockholders.

2 . Special Meetings. Except as otherwise required by statute and subject to the rights, if any, of the holders of any series of Preferred Stock, special meetings of the stockholders of the Corporation may be called only by the Board of Directors acting pursuant to a resolution approved by the affirmative vote of a majority of the Board of Directors to be held at such date, time and place either within or without the State of Delaware as may be stated in the notice of the meeting.

ARTICLE VI

DIRECTORS

1 . General. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors except as otherwise provided herein or required by law.

2 . Election of Directors. Election of Directors need not be by written ballot unless the Bylaws of the Corporation (the "Bylaws") shall so provide.

3 . Number of Directors; Term of Office. Except as otherwise provided for or fixed pursuant to the provisions of Article IV of this Certificate (including any certificate of designation of any series of Preferred Stock) and this Article VI relating to the rights of the holders of any series of Preferred Stock to elect additional directors, the number of Directors of the Corporation shall be fixed solely and exclusively by resolution duly adopted from time to time by the Board of Directors. The Directors, other than those who may be elected by the holders of any series of Preferred Stock, shall be elected at each annual meeting of stockholders for a term of one year. Each Director shall serve until his successor is duly elected and qualified or until his death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent Director.

During any period when the holders of any series of Preferred Stock have the right to elect additional Directors, then upon commencement and for the duration of the period during which such right continues: (i) the then otherwise total authorized number of Directors shall automatically be increased by such specified number of Directors, and the holders of such Preferred Stock shall be entitled to elect the additional Directors so provided for or fixed pursuant to said provisions, and (ii) each such additional Director shall serve until such Director's successor shall have been duly elected and qualified, or until such Director's right to hold such office terminates pursuant to said provisions, whichever occurs earlier, subject to his or her earlier death, resignation, retirement, disqualification or removal. Except as otherwise provided by the Board of Directors in the resolution or resolutions establishing such series, whenever the holders of any series of Preferred Stock having such right to elect additional Directors are divested of such right pursuant to the provisions of such stock, the terms of office of all such additional Directors elected by the holders of such stock, or elected to fill any vacancies resulting from the death, resignation, disqualification or removal of such additional Directors, shall forthwith terminate and the total authorized number of directors of the Corporation shall be reduced accordingly.

4 . Vacancies. Subject to the rights, if any, of the holders of any series of Preferred Stock to elect Directors and to fill vacancies in the Board of Directors relating thereto, any and all vacancies in the Board of Directors, however occurring, including, without limitation, by reason of an increase in size of the Board of Directors, or the death, resignation, disqualification or removal of a Director, shall be filled solely and exclusively by the affirmative vote of a majority of the remaining Directors then in office, even if less than a quorum of the Board of Directors, and not by the stockholders. Any Director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the Director for which the vacancy was created or occurred and until such Director's successor shall have been duly elected and qualified or until his or her earlier resignation, death or removal.

5 . Removal. Subject to the rights, if any, of any series of Preferred Stock to elect Directors and to remove any Director whom the holders of any such stock have the right to elect, any Director (including persons elected by Directors to fill vacancies in the Board of Directors) may be removed from office (i) with cause or without cause and (ii) only by the affirmative vote of the holders of at least a majority in voting power of the shares then entitled to vote at an election of Directors.

ARTICLE VII

LIMITATION OF LIABILITY

A Director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a Director, except for liability (i) for any breach of the Director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which the Director derived an improper personal benefit. If the DGCL is amended after the effective date of this Certificate to authorize corporate action further eliminating or limiting the personal liability of Directors, then the liability of a Director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

Any repeal or modification of this Article VII, shall not adversely affect any right or protection existing at the time of such repeal or modification with respect to any acts or omissions occurring before such repeal or modification of a person serving as a Director at the time of such repeal or modification.

ARTICLE VIII

AMENDMENT OF BYLAWS

1. Amendment by Directors. Except as otherwise provided by law, the Bylaws of the Corporation may be amended or repealed by the Board of Directors by the affirmative vote of a majority of the Board.

2. Amendment by Stockholders. The Bylaws of the Corporation may be amended or repealed by the stockholders at any annual meeting of stockholders, or special meeting of stockholders called for such purpose as provided in the Bylaws, by the affirmative vote of the holders of at least a majority in voting power of the outstanding shares entitled to vote on such amendment or repeal, voting together as a single class.

ARTICLE IX

AMENDMENT OF CERTIFICATE OF INCORPORATION

The Corporation reserves the right to amend or repeal this Certificate in the manner now or hereafter prescribed by statute and this Certificate, and all rights conferred upon stockholders herein are granted subject to this reservation. In addition to any other vote required by law or this Certificate, the affirmative vote of the holders of at least a majority in voting power of the outstanding shares entitled to vote on such amendment or repeal, shall be required to amend or repeal any provision of Article V, Article VI, Article VII, Article VIII or Article IX of this Certificate.

ARTICLE X

EXCLUSIVE JURISDICTION

Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation; (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders, creditors or other constituents; (iii) any action asserting a claim against the Corporation or any Director or officer of the Corporation arising pursuant to, or a claim against the Corporation or any Director or officer of the Corporation with respect to the interpretation or application of any provision of, the DGCL, this Certificate or the Bylaws of the Corporation; or (iv) any action asserting a claim governed by the internal affairs doctrine in each such case subject to said court having personal jurisdiction over the indispensable parties named as defendants therein; provided, that, if and only if the Court of Chancery of the State of Delaware dismisses any such action for lack of subject matter jurisdiction, such action may be brought in another state court sitting in the State of Delaware. To the fullest extent permitted by law, any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article X.

THIRD: The foregoing amendment and restatement was approved by the holders of the requisite number of shares of said corporation in accordance with Section 228 of the DGCL.

FOURTH: That said Amended and Restated Certificate of Incorporation, which restates and integrates and further amends the provisions of this corporation's Certificate of Incorporation, as amended, has been duly adopted in accordance with Sections 242 and 245 of the DGCL.

IN WITNESS WHEREOF, this Amended and Restated Certificate of Incorporation has been executed by a duly authorized officer of this corporation on this 25th day of May, 2017.
