**ABOUT THE MEETING**

***Why are we calling this Annual Meeting?***

We are calling the Annual Meeting to seek the approval of our stockholders:

- To elect six director nominees to serve as directors until the next annual meeting of stockholders (“Proposal 1”);
- To ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm for the year ending December 31, 2022 (“Proposal 2”);
- Approval, on an advisory basis, of the executive compensation of the Company’s named executive officers as described in this proxy statement (“Proposal 3”); and
- To consider any other matters that may properly come before the Annual Meeting.

***What are the Board’s recommendations?***

Our Board believes that the election of the director nominees identified herein and the appointment of EisnerAmper LLP as our independent registered public accounting firm for the year ending December 31, 2022 are advisable and in the best interests of the Company and its stockholders and recommends that you vote **FOR** each of the director nominees, and **FOR** Proposal 2. Our Board believes that the compensation of our named executive officers for the year ended December 31, 2021, as described in this proxy statement, was appropriate and recommends that you vote **FOR** the resolution to approve that compensation.

***Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?***

In accordance with rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to furnish to our stockholders this Proxy Statement and our 2021 Annual Report by providing access to these documents on the Internet rather than mailing printed copies. Accordingly, a Notice of Internet Availability of Proxy Materials (the “Notice”) is being mailed to our stockholders of record and beneficial owners which will direct stockholders to a website where they can access our proxy materials and view instructions on how to vote online or by telephone. If you would prefer to receive a paper copy of our proxy materials, please follow the instructions included in the Notice.

***Who is entitled to vote at the Annual Meeting?***

Only stockholders of record at the close of business on the record date, March 24, 2022, are entitled to receive notice of the Annual Meeting and to vote the shares of common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Holders of our common stock are entitled to one vote per share on each matter to be voted upon.

As of the record date, we had 125,243,381 outstanding shares of common stock.

These directions may allow you to vote over the internet or by telephone. Stockholders may submit questions in writing during the Annual Meeting at [www.virtualshareholdermeeting.com/CRBP2022](http://www.virtualshareholdermeeting.com/CRBP2022). Stockholders will need their Control Number (which can be obtained by following the procedures described under the heading “***How do I attend the Annual Meeting?***” above).

As part of the Annual Meeting, we will hold a live question and answer session, during which we intend to answer questions submitted in writing during the meeting in accordance with the Annual Meeting procedures which are pertinent to the Company and the meeting matters, as time permits. Answers to any questions that are not addressed during the meeting will be published following the meeting on our website. Questions and answers will be grouped by topic and substantially similar questions will be grouped and answered once.

If you encounter any difficulties accessing the Annual Meeting, please call the technical support number that will be posted on the virtual Annual Meeting log-in page. Technical support will be available starting 15 minutes prior to the Annual Meeting.

***What constitutes a quorum?***

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of our common stock outstanding on the record date will constitute a quorum for our meeting. Signed proxies received but not voted and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

***What if I vote and then change my mind?***

You may revoke your proxy at any time before it is exercised by:

- filing with the Secretary of the Company a notice of revocation;
- sending in another duly executed proxy bearing a later date; or
- attending the Annual Meeting live via the internet and casting your vote by following the procedures described under the heading “***How do I vote my shares?***” above.

For purposes of submitting your vote online or by phone before the Annual Meeting, you may change your vote until 11:59 PM eastern time on May 17, 2022. At this this deadline, the last vote submitted will be the vote that is counted.

***What is the difference between holding shares as a stockholder of record and as a beneficial owner?***

Many of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

*Stockholder of Record*

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting.

*Beneficial Owner*

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker as to how to vote and are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. If you do not vote your shares or otherwise provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in “***What vote is required to approve each proposal?***” below.

**What vote is required to approve each proposal?**

The holders of a majority of our common stock outstanding on the record date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. Pursuant to Delaware corporate law, abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present.

Assuming that a quorum is present, the following votes will be required:

- With respect to Proposal 1 (election of directors), directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Annual Meeting (up to the total number of directors to be elected) will be elected. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on this proposal.
- With respect to Proposal 2 (the proposal to ratify the appointment of EisnerAmper LLP), Proposal 3 (approval, on an advisory basis, of the executive compensation of the Company’s named executive officers as described in this proxy statement) and approval of any other matter that may properly come before the Annual Meeting, the affirmative vote of a majority of the total votes cast on these proposals, in person or by proxy, is required to approve these proposals. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on these proposals.

Holders of the common stock will not have any dissenters’ rights of appraisal in connection with any of the matters to be voted on at the meeting.

**What are “broker non-votes”?**

Banks and brokers acting as nominees are permitted to use discretionary voting authority to vote proxies for proposals that are deemed “routine” by the New York Stock Exchange, but are not permitted to use discretionary voting authority to vote proxies for proposals that are deemed “non-routine” by the New York Stock Exchange. The determination of which proposals are deemed “routine” versus “non-routine” may not be made by the New York Stock Exchange until after the date on which this proxy statement has been mailed to you. As such, it is important that you provide voting instructions to your bank, broker or other nominee, if you wish to determine the voting of your shares. If the New York Stock Exchange determines a proposal to be “non-routine,” failure to vote, or to instruct your broker how to vote any shares held for you in your broker’s names, will have the same effect as a vote against such proposal.

A broker “non-vote” occurs when a proposal is deemed “non-routine” and a nominee holding shares for a beneficial owner does not have discretionary voting authority with respect to the matter being considered and has not received instructions from the beneficial owner.

The election of directors (Proposal 1) and the advisory vote on executive compensation (Proposal 3) are generally not considered to be a “routine” matter and brokers are not permitted to vote on these matters if the broker has not received instructions from the beneficial owner. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares. The ratification of our independent registered public accounting firm (Proposal 2) is generally considered to be a “routine” matter, and hence your brokerage firm may be able to vote on Proposal 2 even if it does not receive instructions from you, so long as it holds your shares in its name.

**How are we soliciting this proxy?**

We are soliciting this proxy on behalf of our Board and will pay all expenses associated therewith. Some of our officers, directors and other employees also may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means.

In addition, we have engaged Alliance Advisors, LLC, to assist in the solicitation of proxies and to provide related informational support for a consulting fee which is not expected to exceed \$4,000.

We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of the capital stock and to obtain proxies.

**PROPOSAL 1: TO ELECT SIX DIRECTORS TO SERVE UNTIL THE NEXT ANNUAL MEETING AND UNTIL THEIR SUCCESSORS HAVE BEEN DULY ELECTED AND QUALIFIED**

Our Board is currently composed of six directors. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that director for which the vacancy was created and until the director's successor is duly elected and qualified.

Each of the nominees listed below is currently one of our directors. If elected at the Annual Meeting, each of these nominees would serve until the next annual meeting and until his or her successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Abstentions and broker non-votes will not be treated as a vote for or against any particular director nominee and will not affect the outcome of the election. Stockholders may not vote, or submit a proxy, for a greater number of nominees than the six nominees named below. The director nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the six director nominees named below. If any director nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by our Board. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

**Nominees for Election Until the Next Annual Meeting**

The following table sets forth the name, age, position and tenure of each of our directors who are up for re-election at the 2022 Annual Meeting:

### **Board of Director Meetings**

Our Board met 17 times in 2021. Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of our Board (held during the period for which such directors served on the Board) and (ii) the total number of meetings of all committees of our Board on which the director served (during the periods for which the director served on such committee or committees) during 2021. All directors serving at the time of the 2021 Annual Meeting of Stockholders attended the 2020 Annual Meeting. We do not have a formal policy requiring members of the Board to attend our annual meetings.

### **Director Independence**

Our common stock is listed on The NASDAQ Stock Market. Under the rules of The NASDAQ Stock Market, independent directors must comprise a majority of our Board. In addition, the rules of The NASDAQ Stock Market require that all the members of such committees be independent. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Compensation committee members must also satisfy the independence criteria established by The NASDAQ Stock Market in accordance with Rule 10C-1 under the Exchange Act. Under the rules of The NASDAQ Stock Market, a director will only qualify as an “independent director” if, among other qualifications, in the opinion of that company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board undertook a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board has determined that Mr. Holmer, Mr. Catlin, Ms. Jacques, Dr. Jenkins and Dr. Salzmann do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the Rules of The NASDAQ Stock Market and the SEC.

In making this determination, our Board considered the relationships that each non-employee director has with our Company and all other facts and circumstances our Board deemed relevant in determining their independence. We intend to comply with the other independence requirements for committees within the time periods specified above.

## **Board Committees**

Our Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board may establish other committees to facilitate the management of our business. The composition and functions of each committee named above are described below. Members serve on these committees until their resignation or until otherwise determined by our Board. Each of these committees operate under a charter that has been approved by our Board.

**Audit Committee.** Our Audit Committee consists of Ms. Jacques (appointed as a committee member effective March 6, 2020), Mr. Holmer and Mr. Catlin. Mr. Catlin is the Chairman of the Audit Committee. Our Audit Committee met six times in 2021. Our Board has determined that the directors currently serving on our Audit Committee are independent within the meaning of The NASDAQ Marketplace Rules and Rule 10A-3 under the Exchange Act. In addition, our Board has determined that Mr. Catlin qualifies as an audit committee financial expert within the meaning of SEC regulations and The NASDAQ Marketplace Rules.

The Audit Committee oversees and monitors our financial reporting process and internal control system, reviews and evaluates the audit performed by our registered independent public accountants and reports to our Board any substantive issues found during the audit. The Audit Committee will be directly responsible for the appointment, compensation and oversight of the work of our registered independent public accountants. The Audit Committee reviews and approves all transactions with affiliated parties. Our Board has adopted a written charter for the Audit Committee. A copy of the charter is posted under the “Investors” tab under “Governance” in our website, which is located at [www.corbuspharma.com](http://www.corbuspharma.com).

**Compensation Committee.** Our Compensation Committee consists of Mr. Holmer, Ms. Jacques (appointed as a committee member effective March 6, 2020), Mr. Jenkins (appointed as a committee member effective May 20, 2020) and Mr. Catlin. Mr. Holmer is the Chairman of the Compensation Committee. Our Compensation Committee met seven times in 2021. Our Board has determined that the directors currently serving on our Compensation Committee are independent under the listing standards, are “non-employee directors” as defined in Rule 16b-3 promulgated under the Exchange Act and are “outside directors” as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee provides advice and makes recommendations to our Board in the areas of employee salaries, benefit programs and director compensation. The Compensation Committee also reviews and approves corporate goals and objectives relevant to the compensation of our President, Chief Executive Officer, and other officers and makes recommendations in that regard to our Board as a whole.

In discharging its responsibilities, the Compensation Committee works with our Chief Executive Officer, who assists the Compensation Committee by providing information on corporate and individual performance, perspectives on performance issues and recommendations on compensation matters.

Typically, our Chief Executive Officer will make recommendations to the Compensation Committee regarding compensation matters, including adjustments to annual cash compensation, long-term incentive compensation opportunities for our executive officers, including our other Named Executive Officers. At the beginning of each year, our Chief Executive Officer reviews the performance of our executive officers based on such individual’s level of success in accomplishing the business objectives established for him or her for the prior year and his or her overall performance during that year, and then shares these evaluations with, and makes recommendations to, the Compensation Committee for each element of compensation as described above. The Compensation Committee reviews and discusses these recommendations and proposals with our Chief Executive Officer.

Our Chief Executive Officer attends meetings of the Compensation Committee at which executive compensation matters are addressed, but does not participate in the Compensation Committee’s deliberations involving his own compensation.

The Compensation Committee has directly engaged independent compensation consultants, Radford, a part of Aon Hewitt, a business unit of Aon plc, to provide advice and recommendations on the structure, amount and form of executive and director compensation and the competitiveness thereof. At the request of the Compensation Committee, the compensation consultants provided, among other things, comparative data from selected peer companies. The compensation consultants report directly to the Compensation Committee. The Compensation Committee’s decision to hire either of the compensation consultants was not made or recommended by Company management. The compensation consultant has not performed any work for the Company in 2021 except with respect to the work that it has done directly for the Compensation Committee.

Our Board has adopted a written charter for the Compensation Committee. A copy of the charter is posted under the “Investors” tab under “Governance” in our website, which is located at [www.corbuspharma.com](http://www.corbuspharma.com).

**Nominating and Corporate Governance Committee.** Our Nominating and Corporate Governance Committee consists of Mr. Salzmann (appointed as a committee member effective May 20, 2020), Dr. Jenkins (appointed as a committee member effective May 20, 2020) and Ms. Jacques (appointed a member of the committee effective March 6, 2020). Ms. Jacques is the Chairperson of the Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee met five times in 2021. The Nominating and Corporate Governance Committee nominates individuals to be elected to the full board by our stockholders. The Nominating and Corporate Governance Committee considers recommendations from stockholders if submitted in a timely manner in accordance with the procedures set forth in our bylaws and will apply the same criteria to all persons being considered. All members of the Nominating and Corporate Governance Committee are independent directors as defined under the NASDAQ listing standards. Our Board has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the charter is posted under the “Investors” tab under “Governance” in our website, which is located at [www.corbuspharma.com](http://www.corbuspharma.com).

#### ***Stockholder nominations for directorships***

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names and background to the Secretary of the Company at the address set forth below under “Stockholder Communications” in accordance with the provisions set forth in our bylaws. All such recommendations will be forwarded to the Nominating and Corporate Governance Committee, which will review and only consider such recommendations if appropriate biographical and other information is provided, including, but not limited to, the items listed below, on a timely basis. All security holder recommendations for director candidates must be received by the Company in the timeframe(s) set forth under the heading “Stockholder Proposals” below.

- the name and address of record of the security holder;
- a representation that the security holder is a record holder of the Company’s securities, or if the security holder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934;
- the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five (5) full fiscal years of the proposed director candidate;
- a description of the qualifications and background of the proposed director candidate and a representation that the proposed director candidate meets applicable independence requirements;
- a description of any arrangements or understandings between the security holder and the proposed director candidate; and
- the consent of the proposed director candidate to be named in the proxy statement relating to the Company’s annual meeting of stockholders and to serve as a director if elected at such annual meeting.

Assuming that appropriate information is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board or other persons, as described above and as set forth in its written charter.

#### ***Board Leadership Structure and Role in Risk Oversight***

The positions of our chairman of the Board and chief executive officer are separated. Separating these positions allows our chief executive officer to focus on our day-to-day business, while allowing the chairman of the Board to lead our Board in its fundamental role of providing advice to and independent oversight of management. Our Board recognizes the time, effort and energy that the chief executive officer must devote to his position in the current business environment, as well as the commitment required to serve as our chairman, particularly as our Board’s oversight responsibilities continue to grow. Our Board also believes that this structure ensures a greater role for the independent directors in the oversight of our Company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our Board. This leadership structure also is preferred by a significant number of our stockholders. Our Board believes its administration of its risk oversight function has not affected its leadership structure.

Although our bylaws do not require our chairman and chief executive officer positions to be separate, our Board believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including those described under the section entitled “Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended December 31, 2021 and other reports filed with the SEC. Our Board is actively involved in oversight of risks that could affect us. This oversight is conducted primarily by our full Board, which has responsibility for general oversight of risks. In light of recent events, our Board has and will continue to receive regular updates from our management team on the evolving COVID-19 situation and is involved in strategy decisions related to the impact of COVID-19 on our business.

Our Board also satisfies this responsibility through full reports by each committee chair regarding the committee’s considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our Company. Our Board believes that full and open communication between management and our Board is essential for effective risk management and oversight.

#### ***Stockholder Communications***

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, and subject to advice from legal counsel, the Secretary of the Company is primarily responsible for monitoring communications from stockholders and for providing copies or summaries of such communications to the Board as he considers appropriate.

Communications from stockholders will be forwarded to all directors if they relate to important substantive matters or if they include suggestions or comments that the Secretary considers to be important for the Board to know. Communication relating to corporate governance and corporate strategy are more likely to be forwarded to the Board than communications regarding personal grievances, ordinary business matters, and matters as to which the Company tends to receive repetitive or duplicative communications.

Stockholders who wish to send communications to the Board should address such communications to: The Board of Directors, Corbus Pharmaceuticals Holdings, Inc., 500 River Ridge Drive, Norwood, MA 02062, Attention: Secretary.

#### ***Code of Business Conduct and Ethics***

We have adopted a written code of business conduct and ethics that applies to our employees, officers and directors. A copy of the code is posted under the “Investors” tab under “Governance” in our website, which is located at [www.corbuspharma.com](http://www.corbuspharma.com). We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions applicable to any principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and our directors, on our website identified above or in a Current Report on Form 8-K.

#### ***Anti-Hedging Policy***

Under the terms of our insider trading policy, we prohibit each officer, director and employee, and each of their family members and controlled entities, from engaging in certain forms of hedging or monetization transactions. Such transactions include those, such as zero-cost collars and forward sale contracts, that would allow them to lock in much of the value of their stock holdings, often in exchange for all or part of the potential for upside appreciation in the stock, and to continue to own the covered securities but without the full risks and rewards of ownership.

#### ***Limitation of Directors Liability and Indemnification***

The Delaware General Corporation Law (the “DGCL”) authorizes corporations to limit or eliminate, subject to certain conditions, the personal liability of directors to corporations and their stockholders for monetary damages for breach of their fiduciary duties. Our certificate of incorporation limits the liability of our directors to the fullest extent permitted by Delaware law. In addition, we have entered into indemnification agreements with certain of our directors and officers whereby we have agreed to indemnify those directors and officers to the fullest extent permitted by law, including indemnification against expenses and liabilities incurred in legal proceedings to which the director or officer was, or is threatened to be made, a party by reason of the fact that such director or officer is or was a director, officer, employee or agent of the Company, provided that such director or officer acted in good faith and in a manner that the director or officer reasonably believed to be in, or not opposed to, the best interests of the Company.

We have director and officer liability insurance to cover liabilities our directors and officers may incur in connection with their services to us, including matters arising under the Securities Act. Our certificate of incorporation and bylaws also provide that we will indemnify our directors and officers who, by reason of the fact that he or she is one of our officers or directors, is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative related to their board role with us.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which indemnification will be required or permitted. We are not aware of any threatened litigation or proceeding that may result in a claim for such indemnification.

#### ***Employment Agreements with Our Named Executive Officers***

##### ***Yuval Cohen***

On April 11, 2018, the Company entered an amended and restated employment agreement with Dr. Cohen (the “2018 Cohen Agreement”), which was effective for a period of two years. The 2018 Cohen Agreement provided for Dr. Cohen to serve as Chief Executive Officer and provided for an annual base salary of \$540,000, which was increased to \$559,000 effective January 1, 2019. In addition, Dr. Cohen was eligible to receive an annual bonus. Effective January 1, 2019, Dr. Cohen’s bonus target was set at 60% of his base salary. Pursuant to the terms of the 2018 Cohen Agreement, Dr. Cohen was eligible to receive, from time to time, equity awards under the Company’s existing equity incentive plan, or any other equity incentive plan the Company may adopt in the future, and the amounts of such awards, if any, would be determined by the Board or the Compensation Committee, in their discretion. Dr. Cohen was subject to non-compete and non-solicitation provisions, which applied during the term of his employment and for a period of twelve months following termination of his employment. In addition, the 2018 Cohen Agreement contained customary confidentiality and assignment of inventions provisions. Pursuant to the 2018 Cohen Agreement, if the Company terminated Dr. Cohen’s employment without cause or he terminated his employment for good reason during the term of his employment agreement, other than during the Change in Control Period (as defined below), the Company would have been required to pay him as severance twelve months of his base salary plus reimbursement of the cost of COBRA coverage (or to use commercially reasonable efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for twelve months, and he may be paid a pro-rated bonus, each subject to his timely execution and non-revocation of a general release and continuing compliance with covenants. Also pursuant to the 2018 Cohen Agreement, if the Company terminated Dr. Cohen’s employment without cause or he terminated his employment for good reason during the term of the employment agreement, and within the three months immediately prior to a change in control or the twelve months immediately following a change in control (the “Change in Control Period”), the Company would have been required to pay him as severance twenty-four (24) months of his base salary plus reimbursement of the cost of COBRA coverage (or to use commercially reasonable best efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for twenty-four (24) months, accelerated vesting of all of his outstanding options, restricted stock and other equity incentive awards and his current year bonus at two (2) times target levels, each subject to his timely execution and non-revocation of a general release and continuing compliance with covenants. Dr. Cohen’s severance payments and other applicable payments and benefits would be subject to reduction to the extent doing so would put him in a better after-tax position after taking into account any excise tax he may incur under Internal Revenue Code Section 4999 in connection with any change in control of the Company or his subsequent termination of employment. The term of the 2018 Cohen Agreement expired on April 11, 2020.

We entered an employment agreement with Dr. Cohen which became effective April 11, 2020 (the “2020 Cohen Agreement”). The 2020 Cohen Agreement is effective for a period of two years. The 2020 Cohen Agreement provides for Dr. Cohen to serve as Chief Executive Officer and provides for an annual base salary of \$559,000. In addition, pursuant to the 2020 Cohen Agreement, Dr. Cohen will be eligible to receive an annual bonus, which is targeted at up to 60% of his base salary but which may be adjusted by the Board based on his individual performance and the Company’s performance as a whole. Dr. Cohen will be subject to non-compete provisions, which apply during the term of his employment and for a period of six months from the date of cessation of his employment, subject to the Company providing as severance ((x) if the Company terminates Dr. Cohen’s employment without cause or he terminates his employment for good reason during the term of the 2020 Cohen Agreement and (y) Dr. Cohen timely executes and does not revoke a general release, which will include a non-compete covenant, and complies with covenants.) twelve months of his base salary, other than during the Change in Control Period (as defined below), in which case it will be increased to twenty-four (24) months. Dr. Cohen will be subject to non-solicitation provisions, which apply during the term of his employment and for a period of twelve months from the date of cessation of his employment. In addition, the 2020 Cohen Agreement contains customary confidentiality and assignment of inventions provisions. If the Company terminates Dr. Cohen’s employment without cause or he terminates his employment for good reason during the term of the 2020 Cohen Agreement, other than during the Change in Control Period, the Company will be required to provide as severance reimbursement of the cost of COBRA coverage (or to use commercially reasonable best efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for twelve months, and he may be paid a pro-rated bonus, each subject to his timely execution and non-revocation of a general release, which will include a non-compete covenant, and continuing compliance with covenants. If the Company terminates Dr. Cohen’s employment without cause or he terminates his employment for good reason during the term of the 2020 Cohen Agreement, and within the three months immediately prior to a change in control or the twelve months immediately following a change in control (the “Change in Control Period”), the Company will be required to provide as severance reimbursement of the cost of COBRA coverage (or to use commercially reasonable best efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for twenty-four (24) months, accelerated vesting of all of his outstanding options, restricted stock and other equity incentive awards and his current year bonus at two (2) times target levels, each subject to his timely execution and non-revocation of a general release which will include a non-compete covenant, and continuing compliance with covenants. Dr. Cohen’s severance payments and other applicable payments and benefits will be subject to reduction to the extent doing so would put him in a better after-tax position after taking into account any excise tax he may incur under Internal Revenue Code Section 4999 in connection with any change in control of us or his subsequent termination of employment. The 2020 Cohen Agreement will expire on April 11, 2022. The Company intends to enter into a new employment agreement with Dr. Cohen upon the expiration of the 2020 Cohen Agreement.

On April 11, 2018, the Company entered an amended and restated employment agreement with Dr. White (the “2018 White Agreement”), which was effective for a period of two years from the date thereof. The 2018 White Agreement provided for her to serve as Chief Medical Officer and provided for an annual base salary of \$424,000, which was increased to \$439,000 effective January 1, 2019. In addition, Dr. White was eligible to receive an annual bonus, which was targeted at up to 40% of her base salary but which may be adjusted by the Board based on her individual performance and the Company’s performance as a whole. Dr. White’s annual base salary and her targeted annual bonus may could be adjusted annually by the Board. Pursuant to the terms of the 2018 White Agreement, Dr. White was eligible to receive, from time to time, equity awards under the Company’s existing equity incentive plan, or any other equity incentive plan the Company may adopt in the future, and the terms and conditions of such awards, if any, will be determined by the Board or the Compensation Committee, in their discretion. Pursuant to the terms of the 2018 White Agreement, Dr. White was subject to non-compete and non-solicitation provisions, which applied during the term of her employment and for a period of twelve months following termination of her employment. In addition, the 2018 White Agreement contained customary confidentiality and assignment of inventions provisions. Pursuant to the 2018 White Agreement, if the Company terminated Dr. White’s employment without cause or she terminated her employment for good reason during the term of the employment agreement, other than during the Change in Control Period, the Company would have been required to pay her as severance twelve months of her base salary plus reimbursement of the cost of COBRA coverage (or to use commercially reasonable best efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for twelve months, and she may be paid a pro-rated bonus, each subject to her timely execution and non-revocation of a general release and continuing compliance with covenants. If the Company terminated Dr. White’s employment without cause or she terminated her employment for good reason during the term of the employment agreement, and during the Change in Control Period, the Company would have been required to pay her as severance eighteen (18) months of her base salary plus reimbursement of the cost of COBRA coverage (or to use commercially reasonable best efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for eighteen (18) months, accelerated vesting of all of her outstanding options, restricted stock and other equity incentive awards and her current year bonus at target levels, each subject to her timely execution of a general release and continuing compliance with covenants. Dr. White’s severance payments and other applicable payments and benefits would be subject to reduction to the extent doing so would put her in a better after-tax position after taking into account any excise tax she may incur under Internal Revenue Code Section 4999 in connection with any change in control of the Company or her subsequent termination of employment. The term of the 2018 White Agreement expired on April 11, 2020.

We entered an employment agreement with Dr. White which became effective April 11, 2020 (the “2020 White Agreement”). The 2020 White Agreement will be effective for a period of two years. The 2020 White Agreement provides for her to serve as Chief Medical Officer and provides for an annual base salary of \$439,000. In addition, pursuant to the 2020 White Agreement, Dr. White will be eligible to receive an annual bonus, which is targeted at up to 40% of her base salary but which may be adjusted by the Board based on her individual performance and the Company’s performance as a whole. Dr. White’s annual base salary and her targeted annual bonus may be adjusted annually by the Board. The term of the 2018 Moran Agreement expired on April 11, 2020.

We entered an employment agreement with Mr. Moran which became effective April 11, 2020 (the “2020 Moran Agreement”). The 2020 Moran Agreement will be effective for a period of two years. Mr. Moran will be subject to non-solicitation provisions, which apply during the term of his employment and for a period of twelve months from the date of cessation of his employment. In addition, the 2020 Moran Agreement contains customary confidentiality and assignment of inventions provisions. If the Company terminates Mr. Moran’s employment without cause or he terminates his employment for good reason during the term of the 2020 Moran Agreement, other than during the Change in Control Period, the Company will be required to pay him as severance reimbursement of the cost of COBRA (or to use commercially reasonable best efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for twelve months, and he may be paid a pro-rated bonus, each subject to his timely execution and non-revocation of a general release, which will include a non-compete covenant, and continuing compliance with covenants. Mr. Moran’s severance payments and other applicable payments and benefits will be subject to reduction to the extent doing so would put him in a better after-tax position after taking into account any excise tax he may incur under Internal Revenue Code Section 4999 in connection with any change in control of the Company or his subsequent termination of employment. The 2020 Moran Agreement will expire on April 11, 2022. The Company intends to enter into a new employment agreement with Mr. Moran upon the expiration of the 2020 Moran Agreement.

Mr. Millian is subject to non-compete provisions, which apply during the term of his employment and for a period of six months from the date of cessation of his employment, subject to the Company providing as severance ((x) if the Company terminates Mr. Millian’s employment without cause or he terminates his employment for good reason during the term of the Millian Employment Agreement and (y) he timely executes and does not revoke a general release, which will include a non-compete covenant, and complies with covenants.) twelve months of his base salary, other than during the three months immediately preceding or the 12 months immediately following a Change in Control, as defined in the Millian Employment Agreement (the “Change in Control Period”), in which case it will be increased to eighteen (18) months. Mr. Millian will be subject to non-solicitation provisions, which apply during the term of his employment and for a period of twelve months from the date of cessation of his employment. In addition, the Millian Employment Agreement contains customary confidentiality and assignment of inventions provisions. If the Company terminates Mr. Millian’s employment without cause or he terminates his employment for good reason during the term of the Millian Employment Agreement, other than during the Change in Control Period, the Company will be required to pay him as severance reimbursement of the cost of COBRA (or to use commercially reasonable best efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for twelve months, and he may be paid a pro-rated bonus, each subject to his timely execution and non-revocation of a general release, which will include a non-compete covenant, and continuing compliance with covenants. If the Company terminates Mr. Millian’s employment without cause or he terminates his employment for good reason during the term of the Millian Employment Agreement, and during the Change in Control Period, the Company will be required to pay him as severance reimbursement of the cost of COBRA coverage (or to use commercially reasonable best efforts to provide the cost of other comparable coverage if COBRA reimbursement would incur tax penalties or violate the law) for eighteen (18) months, accelerated vesting of all of his outstanding options, restricted stock and other equity incentive awards and his current year bonus at target levels, each subject to his timely execution and non-revocation of a general release, which will include a non-compete covenant, and continuing compliance with covenants. \* The foregoing report of the Audit Committee is not to be deemed “soliciting material” or deemed to be “filed” with the Securities and Exchange Commission (irrespective of any general incorporation language in any document filed with the Securities and Exchange Commission) or subject to Regulation 14A of the Securities Exchange Act of 1934, as amended, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent we specifically incorporate it by reference into a document filed with the Securities and Exchange Commission.

## Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information as of March 24, 2022 with respect to the beneficial ownership of common stock of the Company by the following: (i) each of the Company's current directors; (ii) each of the named executive officers; (iii) all of the current executive officers and directors as a group; and (iv) each person known by the Company to own beneficially more than five percent (5%) of the outstanding shares of the Company's common stock.

For purposes of the following table, beneficial ownership is determined in accordance with the applicable SEC rules and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, we believe that each person or entity named in the table has sole voting and investment power with respect to all shares of the Company's common stock shown as beneficially owned by that person or entity (or shares such power with his or her spouse). Under the SEC's rules, shares of the Company's common stock issuable under options that are exercisable on or within 60 days after March 24, 2022 ("Presently Exercisable Options") are deemed outstanding and therefore included in the number of shares reported as beneficially owned by a person or entity named in the table and are used to compute the percentage of the common stock beneficially owned by that person or entity. These shares are not, however, deemed outstanding for computing the percentage of the common stock beneficially owned by any other person or entity.

The percentage of the common stock beneficially owned by each person or entity named in the following table is based on 125,243,381 shares of common stock issued and outstanding as of March 24, 2022 plus any shares issuable upon exercise of Presently Exercisable Options held by such person or entity.

Except as otherwise noted below, the address for persons listed in the table is c/o Corbus Pharmaceuticals Holdings, Inc., 500 River Ridge Drive, Norwood, Massachusetts 02062. Beneficial ownership representing less than 1% is denoted with an asterisk (\*).

#### **Transactions with Related Persons**

Other than compensation arrangements for our named executive officers and directors, we describe below each transaction or series of similar transactions, since January 1, 2020, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000 or one percent of the average of our total assets at year end for the last two completed fiscal years; and
- any of our directors, executive officers or holders of more than 5% of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

Compensation arrangements for our named executive officers and directors are described in the section entitled "Executive Compensation." There were no other related party transactions identified.

#### **Indemnification Agreements**

We have entered into indemnification agreements with our directors and executive officers whereby we have agreed to indemnify those directors and officers to the fullest extent permitted by law, including indemnification against expenses and liabilities incurred in legal proceedings to which the director or officer was, or is threatened to be made, a party by reason of the fact that such director or officer is or was a director, officer, employee or agent of our Company, provided that such director or officer acted in good faith and in a manner that the director or officer reasonably believed to be in, or not opposed to, the best interests of our Company.

#### **Policies and Procedures for Related Party Transactions**

Our Board has adopted a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock, any members of the immediate family of any of the foregoing persons and any firms, corporations or other entities in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest, which we refer to collectively as related parties, are not permitted to enter into a transaction with us without the prior consent of our Board acting through the audit committee or, in certain circumstances, the chairman of the audit committee. Any request for us to enter into a transaction with a related party, in which the amount involved exceeds \$100,000 and such related party would have a direct or indirect interest must first be presented to our audit committee, or in certain circumstances the chairman of our audit committee, for review, consideration and approval. In approving or rejecting any such proposal, our audit committee, or the chairman of our audit committee, is to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the benefits to us, the availability of other sources of comparable products or services and the extent of the related party's interest in the transaction.

**PROPOSAL 2: RATIFY THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2022**

The Audit Committee has reappointed EisnerAmper LLP as our independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2022 and has further directed that management submit their selection of independent registered public accounting firm for ratification by our stockholders at the Annual Meeting. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as public registered accounting firm.

**Principal Accountant Fees and Services**

The following table summarizes the fees for professional services rendered by EisnerAmper LLP, our independent registered public accounting firm, for each of the last two fiscal years:

Fee Category	2021	2020
	(In thousands)	
Audit Fees	\$ 249	\$ 288
Audit-Related Fees	—	5
Tax Fees	—	—
All Other Fees	—	—
Total Fees	\$ 249	\$ 293

**Audit Fees**

Represents fees, including out of pocket expenses, for professional services provided in connection with the audit of our annual audited financial statements and of our internal control over financial reporting, the review of our quarterly financial statements included in our Forms 10-Q, accounting consultations or advice on accounting matters necessary for the rendering of an opinion on our financial statements, services provided in connection with the offerings of our common stock and audit services provided in connection with other statutory or regulatory filings.

**Audit-Related Fees**

Audit-related fees are for services regarding financial accounting and reporting standards and other activities not explicitly related to the audit of our financial statements.

The Audit Committee is responsible for appointing, setting compensation and overseeing the work of the independent auditors. The Audit Committee has established a policy regarding pre-approval of all auditing services and the terms thereof and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the PCAOB) to be provided to us by the independent auditor. However, the pre-approval requirement may be waived with respect to the provision of non-audit services for us if the “de minimis” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied.

The Audit Committee has considered whether the provision of Audit-Related Fees, Tax Fees, and all other fees as described above is compatible with maintaining EisnerAmper LLP’s independence and has determined that such services for fiscal year 2021 were compatible. All such services were approved by the Audit Committee pursuant to Rule 2-01 of Regulation S-X under the Exchange Act to the extent that rule was applicable.

The Audit Committee pre-approved all services provided by EisnerAmper LLP during fiscal 2021 and 2020 in accordance with the policy regarding pre-approval of all auditing services except for \$5,000 of fees incurred during 2020 (less than 2% of total fees) for a permitted non-audit service.

The Audit Committee is responsible for reviewing and discussing the audit financial statements with management, discussing with the independent registered public accountants the matters required by the applicable requirements of the PCAOB, receiving written disclosures from the independent registered public accountants required by the applicable requirements of the PCAOB regarding the independent registered public accountants’ communications with the Audit Committee concerning independence and discussing with the independent registered public accountants their independence, and recommending to the Board of Directors that the audit financial statements be included in our annual report on Form 10-K.

**Attendance at Annual Meeting**

Representatives of EisnerAmper LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from stockholders.

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

### **PROPOSAL 3: ADVISORY APPROVAL OF OUR NAMED EXECUTIVE OFFICERS' COMPENSATION**

At our 2020 annual meeting of stockholders, we conducted a non-binding stockholder vote on the frequency of future Say-on-Pay votes (commonly known as a “Say-When-on-Pay” vote). We recommended that such votes be conducted annually and our stockholders approved that recommendation. We will hold a Say-on-Pay vote at each annual meeting until the time our stockholders vote to hold the Say-on-Pay vote at a different frequency.

#### **Q: What are you voting on?**

A: In accordance with Section 14A of the Securities Exchange Act of 1934, we are asking stockholders to vote, on an advisory basis, on:

*Say-on-pay*. Approval of the compensation of our named executive officers as disclosed in this proxy statement, including the various compensation tables and the related narrative disclosures (Proposal 3).

#### **Q: Why does your Board recommends a vote “FOR” the say-on-pay proposal (Proposal 3)?**

A. The Board believes that the Company’s compensation policies and practices are effective in achieving our goals of motivating and retaining our executives by:

- rewarding excellence in leadership and sustained financial performance; and
- aligning our executives’ interests with those of our stockholders to create long-term value.

#### **Q: What are the effects of these votes?**

A: Proposals 3 is advisory, and non-binding on our Board. However, the Board and the Compensation Committee will review and consider the results of these votes when evaluating our executive compensation program.

#### **Proposal 3 is as follows:**

##### **Proposal 3:**

“Resolved, that the compensation of the Company’s named executive officers, as described in the Company’s proxy statement for the 2022 Annual Meeting of Stockholders, including the various compensation tables and the related narrative disclosures, is hereby APPROVED.”

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR PROPOSAL 3.**
